From Hudson Academy of Arts & Sciences

Dear Husky Families,

We have had a terrific start to the 2016-2017 school year. The students and staff are working very hard at improving student achievement. I wanted to remind you that students should not be in front of the building before school. Students should go directly to the playground in the back, when they arrive at school. Please check your student's Friday folder or backpack for important communication from your student's teacher.

If your student will be absent please call the office at 303-536-2200.

"No one is perfect– that's why pencils have erasers."
