

Husky Newsletter

April 21, 2017

From Hudson Academy of Arts & Sciences

Dear Husky Families,

Thank you to all the families and friends of our 1st and 2nd grade students that attended the program last night. A special "thank you" to Ms. Flaharty for working with our students for this outstanding performance.

The Hudson Field day this year will be May 18, unless there is inclement weather then Field Day will be May 19. Students will be able to participate in as many events as they want and as many times as they want in each event. The more events the students participate in, will help them earn more and better ribbons.

We need Volunteers. All you have to do is hole punch students cards when they finish, it's very easy! If you can help in the morning or afternoon (we need more help in the afternoon) please email Mr. Sampson:
