

# Husky Newsletter

## December 16th, 2016

**From Hudson Academy of Arts & Sciences**

Dear Husky Families,

The district is pleased to announce the implementation of Full Day Kindergarten beginning this January 4th, 2017! Our community has been asking for full day programming for quite some time and we are excited to be able to make this happen as a direct result of the passing of our recent Mill Levy Override. Kindergarten Parents or guardians should have received information regarding this change. If you have any questions please contact the Hudson Office.

Students that reached their Accelerated Reader Goals will participate in a celebration on January 10.

Encourage your students to read over the Winter Break. Studies have shown that students that read for pleasure have higher academic achievement.

If your student will be absent please call the Hudson Office at 303-536-2200. It is the parents or guardians responsibility to notify the office of all absences.

Transportation has many items that have been left or forgotten on the school buses. If your student has items that have been misplaced or lost on the bus, the item may have been found. These items can be viewed at the transportation office.

There will be **NO** Movement Club or Lego Club for the remainder of the year.

**The drop and shop sponsored by the HS dance club for Dec. 17, has been cancelled.**

Our health room is looking for donations of gently used, clean clothing items. If you would like to donate, please send them with your student or drop off the items at the office.

***“A book is a dream that you hold in your hand”.*** Neil Gaiman

Thank you for your partnership in making Hudson a great place!

Mr. Dent
