

Husky Newsletter

January 20th, 2017

From Hudson Academy of Arts & Sciences

Dear Husky Families,

Hudson is excited to support the American Heart Association through Jump Rope For Heart! Students have the opportunity to celebrate being heart heroes through fun physical activity and optional donations to support kids with sick hearts and earn thank-you gifts. We had our kick off January 13th and our FUN event days conclude on February 23 and 24th! You can register online and share your Heart Healthy ROAR by searching "Hudson" at www.heart.org/jump. Thank you for joining together to be heart heroes with the American Heart Association!

If you did not receive your student's report card please contact your student's teacher.

If your student is absent please call the Hudson Office at 303-536-2200. It is the parents or guardians responsibility to notify the office of all absences. Please share any changes you may have in contact information. Re3J uses an automated calling system and email service to communicate with families. Having current information is important so you can be contacted when necessary.

The Board of Education approved the next year school calendar. This can be viewed by clicking : [2017-2018 school calendar](#) . Many plans are in process regarding the construction and renovations that will soon begin. You can view the Capital Construction updates through a newsletter. The current newsletter can be accessed [here](#).
