

Husky Newsletter

January 6th, 2017

From Hudson Academy of Arts & Sciences

Dear Husky Families,

On January 10th, all students that met their AR goals will have the opportunity to celebrate. Students that met both 1st and 2nd quarter goals will be able to participate in an ice-skating event. Students that met 2nd quarter goals will have a celebration at the school.

If your student is absent please call the Hudson Office at 303-536-2200. It is the parents or guardians responsibility to notify the office of all absences. Please share any changes you may have in contact information. Re3J uses an automated calling system and email service to communicate with families. Having current information is important so you can be contacted when necessary.

Transportation has many items that have been left or forgotten on the school buses. If your student has items that have been misplaced or lost on the bus, the item may have been found. These items can be viewed at the transportation office

The Board of Education approved the next year school calendar. This can be viewed by clicking : [2017-2018 school calendar](#) . Many plans are in process regarding the construction and renovations that will soon begin. You can view the Capital Construction updates through a newsletter. The current newsletter can be accessed [here](#).

Don't let what you can't do stop you from doing what you can do." –
[John Wooden](#)

Thank you for your partnership in making Hudson a great place!

Mr. Dent
