From Hudson Academy of Arts & Sciences

Dear Husky Families,

The planning process has begun for the renovations and construction that will take place soon in our district and our school. Please find the [Capital Construction Update](#) here.

Pre-school and kindergarten registration for the 2017/2018 school year has started. Hoff Elementary will host a pre-school screening for the 2017/18 school year on April 3rd. Call Hudson Academy to schedule your appointment for your preschool student. Your student can be screened at Hoff and still attend any of the district preschool locations. If you have a new kindergarten student for the 2017/18 school year that has **NOT** attended preschool in our district, registration forms can be picked from the office.

The yearly We Care District Event will be held on April 7th at the High School. Save the date on your calendar for this fun evening of good food, laughs and wonderful entertainment for a great cause.

Hudson Student is sponsoring a Family Night at the Rockies. Save the date, May 6th. More information to be coming soon!

The Hudson Academy PTO supports many activities, programs and supplies for our school. One way they are able to fund these needs is by collecting Box Tops. Please save your Box Tops, the class that brings in the most will be awarded at the end of the school year.

If your student is missing items please have them check the lost and found box located in the cafeteria.

Thank you for your partnership in making Hudson a great place!
